

# DISCIPLESHIP GROUP AGREEMENT

---

It is my desire to engage with this discipleship group and seek to grow in my understanding of Jesus and how to trust and follow Him completely. I will be committed to the following for the next year:

- Share openly and honestly with this group. Not hiding what is really going on in my life or pretending to be more spiritual than I am.
- Learn and grow together (Eat, study, serve, and pray together).
- Work on all aspects of my relationship with God.
- Grow on my own. Yes, this includes some "homework," but not for a grade.
- Attend every discipleship group gathering to the best of my ability.
  - I understand and agree that I will have to say 'no' to important things to meet this commitment, and I am willing to do so.
- Commit to total confidentiality.
  - What is said in the group stays in the group. I will not share with others what is said confidentially in the group without permission, even with my spouse, close friends, or family.
- I am committed to learning from the group and intentionally pursuing the Great Commission and disciple making during and after this group in the ways God will lead me.
